

KERALA'S ECONOMIC DEVELOPMENT
Issues and Problems

Edited by B. A. Prakash
Sage Publications, New Delhi • Thousands Oaks • London
Year of Publication, 1999

This book examines the performance of Kerala's economy during 1990s in the context of Structural Adjustment Reforms implemented in India since 1991. The book also analyses the economic problems and development issues of State's economy during the decades of 1980s and 1990s. It contains 19 original essays on topics economic performance; poverty and unemployment; migration and urbanization; agriculture; industry and power; State finance and Kerala and WTO.
